

## Statement of Compliance

### The Electric Vehicles (Smart Charge Points) Regulations 2021

The Electric Vehicles (Smart Charge Points) Regulations 2021 (“the Regulations”) require the seller to provide a statement of compliance with the sale of any relevant charge point in meeting the requirements of Regulation 13.

In the event of bulk purchases, a separate statement of compliance must be provided with each charge point, even if the charge points are of identical make, model, software version etc.

The seller,

|                       |                                                                                         |
|-----------------------|-----------------------------------------------------------------------------------------|
| <b>Seller name</b>    | Edmundson Electrical Limited                                                            |
| <b>Seller address</b> | Edmundson House<br>Tatton Street<br>Knutsford<br>Cheshire<br>WA16 6AY<br>United Kingdom |

declares under sole responsibility that the relevant charge point,

|                                                                   |                                                                |
